

All I Saw- (Rob Carlson 1-18-13)

Eb Ab Bb Eb
 We went to see the Taj Mahal
 Eb Ab Bb
 By way of Katmandu,
 Eb Ab Bb Eb
 I don't remember much at all,
 Ab Bb Eb
 All I saw was you.

I hear we saw a Yeti,
Might've seen Elvis too.
Could be true, ain't got a clue,
All I saw was you...

Bb
All I saw was how your eyes
Ab Eb
Can widen with some small surprise,
Gm Ab Bb
And how your shoulders shimmy when you're laughing.

We took a plane to Paris, France
Went to see the Louvre
They say it's nice, I'm sure they're right,
But all I saw was you.

All I saw was how you lay
Beside me 'til another day
Kicking in some dream I'll never know...
